25X1A

1. It is desired that a postponement of jury duty be requested for [REDACTED] of the Map Library Branch of the Geographic Division, ORR. [REDACTED] has received a "Summons for Juror," summoning him to appear (as Juror No. [REDACTED] in the United States District Court for the District of Columbia, Criminal Court No. 1, on Tuesday, August 7, 1951 at 9:45 A. M., for service to commence on that day.

25X1A

2. This postponement is urgently desired because of the need that [REDACTED] should not be removed from duty at this time. He is scheduled to take charge of a special project for which four new persons will report Monday, July 30, for duty that is expected to last at least one month.

25X1A

3. [REDACTED] is scheduled also to assume some duties assigned to him during the vacation leave (from July 30 through August 25) of the Chief of the Processing Section.

25X1A

4. To remove [REDACTED] from duty August 7, and days following, would necessitate a shift in assignments in the Map Library Branch that would transfer one of the map catalogers away from his work on maps for high-priority areas. Due to vacation leave already in effect or already granted, no other alternative is apparent.
